♦ Integrazione e test Brevo

The screenshot shows the Brevo web application interface for managing email campaigns. The left sidebar contains navigation links: Home, Ecommerce, Contatti, **Campagne** (highlighted), Modelli, Statistiche, Impostazioni, Automazioni, and Transazionale. The main content area is titled 'Campaigns' and includes a search bar, a filter dropdown set to 'Tutti gli stati', and a table of campaigns. The table shows one campaign, 'Sconto 40%', with the following details:

	Destinatari	Aperture	Clic	Disiscrizioni
<input type="checkbox"/> #7 • Inviata il 28 mar 2025 14:25	2	1	0	0
● Inviata	100%	100%	0%	0%

At the top right of the interface, there are links for 'Consumi e piano', a help icon, a notification bell, and a dropdown menu for 'Next-Level Digita...'. In the top right corner of the main area, there are buttons for 'Crea cartella' and 'Crea campagna'.
